# ***Summer Intensive Program***

At DAB The Summer Intensive will be offered for children ages 7 and up. The program will consist of 6 weeks and 2 levels. Each week must be registered for separately and discounts are given on multiple weeks. If you have any questions about what level to register for just let us know. We encourage the kids to take as many weeks as they can, however, we understand with scheduling that is sometimes not possible thus single week registration is available. In addition to ballet classes there will also be contemporary, Pilates, terminology, dance history, hair/make-up and more!

\*The intensive is offered a total of 6 weeks with discounts on multiple weeks.
