

Class Etiquette

- Be on time. If you will be late or need to leave early, please call the studio in advance. Students who arrive too late and miss the necessary warm up may be asked to observe class, to avoid the risk of injury
- Students should arrive in proper attire (see dress code below) and hair neatly pulled back
- NO talking during class. Attention should be directed to the teacher at all times.
- Finish each exercise and remain until the music has stopped
- Turn toward the barre between exercises
- NO sitting in class unless instructed to do so by the teacher
- Curtesy to the teacher to give thanks at the end of the class
- All levels are asked to stretch before and after class on their own

Attendance

Attendance is vital to the development of a dancer's training. Roll will be taken at the beginning of each class. Those who have regular attendance are rewarded with the greatest improvement and possibly larger roles in performances. A decision will be made regarding participation in the winter and spring showcases if too many classes are missed.

If you must miss class, please call the studio. If a student is injured or not contagiously ill they are strongly encouraged to watch classes especially during performance preparation. Missed classes may and should be made up in the quarter they are missed, in a similar class and/or at the discretion of the studio.
