

You may register online for classes by clicking [HERE](#).

Registration, student waiver, and payment forms must be filled out before taking class. You will be prompted to accept our registration agreement when you create an account.

Although you will be asked to register, you will not be enrolled or charged for classes until your payment has been confirmed. After registering, you will have the option to add a student(s) and then to enroll in a class for that student. Following the enrollment you will continue on to the payment by clicking next. Here you will select whether you would like to submit a one-time payment or enroll in the recurring payment plan. There is a one time non-refundable registration fee of \$30.00 required annually at the time of registration. A registration fee is not added for adult classes/class cards. If payment is not made for a registered class within 24 hours, you will be dropped from the class and you will have to re enroll for that class. Payments may be made online with Visa or MasterCard or in person by cash or check. All quarterly payments must be set up on automatic payment through the Payment Agreement Form found [HERE](#).

Please call us at 303-723-4203 if you need assistance or have any questions. Registration can also be done over the phone or in person at Denver Academy of Ballet.
